Divisional Development Plan

Divisional Profile

Jaffna District is located in the Northern Province of Sri Lanka nearby the southern part of India situated by Indian Ocean. Jaffna is a peninsula. It is divided into four major portions named as Vadamaradchy, Thenmaradchy, Valikamam and Islands. Vadamaradchy area is divided into three administrative divisions as Vadamaradchy North, Vadamaradchy South West and Vadamaradchy East Divisional Secretariats.

Vadamaradchy East Divisional Secretariat (DS) Division is located in the North-eastern part of Jaffna peninsula. North border of Vadamaradchy East is the Indian Ocean; East border is the portions of Mullaithivu and Kilinochchi Districts; South border is the portions of Pachchilaipalli and Thenmaradchy DS divisions: and West border is the Point Pedro DS Division.

Vadamaradchy East is a narrow stripe-like land mass with a long beach with fishing and tourism capacities in east part. West part is a lagoon bounded with mangroves. The entire Vadamaradchy East DS division consists of two type of soil as sandy loom and clay.

Vadamaradchy East DS Division is divided into 18 Grama Niladhari (GN) divisions from Manatkadu to Chundikkulam. At present, the last GN division, Chundikkulam, is not allowed for resettlement. and it has been declared as National Park. by gazetten notification.

Vadamaradchy East DS office is located about 50 km away from Jaffna, 42 km from Pointpedro and 30 km from Kilinochchy towns. Two main transport ways to the major towns are available. They are Point Pedro to Maruthankerny way and A9 road connecting the Maruthankerny through Puthukadu Junction to Jaffna.

The area had been affected and displaces many times due to civil war and tsunami tidal waves and other unavoidable circumstances.

Introduction to Divisional Development Plan – Vadamaradchy East (Maruthankerny)

In Sustainable development era, Development is not limited to Economic development. It is balanced development of Economic, Social, Culture and Environmental. Therefore it is vital to prepare Divisional development plan with sectoral plans.

Regional disparities in development are the weak bone of divisional development. Development activities are lagging in a Growth pole of Urban. Therefore development concept should be developed from Village level to Divisional level which formats the document “Divisional Development Plan”.

“Divisional Development Plan Should be Prepared Base on National policy and maximum efficient utilization resources available in division

Divisional development plan of Vadamaradchy East Divisional Secretary designed as Bottom to Top approach form Village development plan and sectoral plan of relevant authorities within the Division for the purpose of Divisional development plan.

Sustainable Development Goals

1. End poverty in all its Forms Every Where
2. End Hunger, achieve Food Security and improved Nutrition and promote Sustainable Agriculture
3. Ensure Inclusive and quality Education and promote lifelong Learning opportunities for all

4. Ensure availability Sustainable Management of water and Sanitation for all
5. Build resilient infrastructure, promote, Inclusive and Sustainable Industrialization
6. Take urgent action to compact climate change and its impacts
7. Conserve and sustainably use sea and Marine resources for Sustainable Development
8. Make cities and human settlements inclusive, Safe, resilient

Key Development Issues

1. Agriculture & Livestock Sector

- ✓ Limited availability of usable productive Agriculture Land
- ✓ Adverse impact of weather condition
- ✓ Limited Access to raw material and seeds availably
- ✓ .Threats and damage by wild life (Monkey/Pig)
- ✓ Less financial support
- ✓ Lifco co-operative society is not functioning in our division
- ✓ Setting up of paddy drying platform
- ✓ Redetermination boundaries for the Chundikulam cultivation of land details of Department of forest conservation (Pokkarapu, Chundikulam, Nagarkovil south, Ampan)

2. Road and Transport

- ✓ Most of Internal are gravel. It is not sustainable. Therefore need Tar road for sustainable development
- ✓ Renovation of Roads
- ✓ Public transports need to be expanded

3. Education

- ✓ Limited Access of public and private transport to School Children's
- ✓ Students are less interested in Science & Maths unit in advance level
- ✓ Leak of vocational Education facilities.

4. Health

- ✓ Health and Medical services need to be improved

5. Industries, Tourism, Trade & commercial

- ✓ Lack of financial support
- ✓ Lack of raw materials
- ✓ Undeveloped infrastructure facilities
- ✓ Less developed promotion activities in Tourism & Trade

6. Fisheries

- ✓ Sea cucumber harvesting by out siders
- ✓ Use of illegal fishing methods
- ✓ Engage in fishing in an unsustainable manner
- ✓ lack of proper landing facilities for fishing crafts
- ✓ Encroachment of Indian trawlers into the Coastal Environment
- ✓ Low income Fishermen community

Solutions

1. Agriculture sector

- ✓ Modern Facilities to cater to the seed requirement of the country
- ✓ Providing awareness and disseminating organic fertilizer production technology for farmer's aiming and reducing the usage of inorganic fertilize

2. Road and Transport

- ✓ Enough funds have to allocated
- ✓ Need to be construed the culverts and bridges in suitable places with proper funding
- ✓ Improve gravel road with tar road

3. Education Sector

- ✓ Create Awareness to the after GCE Ordinary level and GCE Advance level Students
- ✓ Create the awareness for students interest to study Bio section class and Mathematic section class for advance level
- ✓ Providing facilities for using ICT in teaching and learning

4. Health Sector

- ✓ Providing blood experiment facilities for pregnant mothers, worming machine facilities
- ✓ Appoint Doctor, Nurse and suitable Labor

5. Industries, Tourism, Trade & commercial

- ✓ The marketing network should be arranged
- ✓ The facilities to improve the transportation have to be improved
- ✓ Conducting the training programs to motivate the people towards industrial activities from basic level
- ✓ Small industries department activities should be expanded
- ✓ Capacity building has to improved
- ✓ Vadamaradchy Esat division's mineral resources should be used in sustainable in proper way
- ✓ Unable to full fill costumer needs
- ✓ Improve services by M.P.C.S or FCSS or FCSU
- ✓ Encourage private sector
- ✓ Establishment fuel filling station with petrol & diesel
- ✓ Establishment Fertilizer sales center
- ✓ Farmers of Pharmaceutical services

6. Fisheries Development

- ✓ The fisheries Development policy aims at harvesting the full potential for fisheries and aquatic resources in a sustainable manner to provide food security, lively hood opportunities and enhance value addition.
- ✓ Product diversification and exploitation of deep sea fishing through instruction of modern fishing technology and reduction of post-harvest loses are Identified as major Inter in the modern Fisheries Industry.
- ✓ Prohibition for outsiders and train local fishermen of our division in sea cucumber harvesting
